

## **MATERNITY POLICY**

This document sets out Katey's Nursery & Pre-School policy on maternity. It sets out the statutory rights and responsibilities of employees who are pregnant or have recently given birth and covers the arrangements for ante-natal care, pregnancy-related illness, maternity leave and pay. Katey's House Nursery implements the maternity rights set out in legislation.

Katey's recognises that, from time to time, employees may have a question or concern relating to their maternity rights. In this respect, it is our policy to encourage open discussion between you and your line manager to ensure that questions and problems can be aired and resolved as quickly as possible. It is our policy within Katey's Nursery & Pre-School that employees are supported throughout their pregnancy, considering the needs of the individual and the Company.

The maternity regulations are complex and so if you become pregnant you should clarify the relevant procedures with *Katey Barrington* to ensure that they are followed correctly.

The following abbreviations are used in this policy:

- EWC Expected Week of Childbirth – the week, starting on a Sunday, in which your doctor or midwife expects you to give birth.
- SMP Statutory maternity pay.
- QW Qualifying Week – the 15th week before the EWC.
- MAT B1 A certificate issued by a doctor or midwife showing the expected date of your baby's birth.

### **Maternity rights**

In general terms, a pregnant woman has the following rights:

- Time-off for ante-natal care.
- Maternity pay – linked to level of earnings.
- Maternity leave.
- Protection against unfair treatment or dismissal.

Further explanation of maternity rights is given below.

### **Notification of pregnancy**

On becoming pregnant, you should notify the nursery manager as soon as you feel able to do so. This is important because there are health and safety considerations for the Company.

By the end of the Qualifying Week, or as soon as reasonably practicable afterwards, you are required to provide the following information in writing to Katey's Nursery & Pre-School:

- That you are pregnant.
- Your EWC.
- The date on which you intend to start your maternity leave.

You must also provide the nursery manager with a MAT B1 form. The form must have either the doctor's name and address or the midwife's name and registration number on it.

You are permitted to bring forward your maternity leave start date, provided you advise the Katey's Nursery & Pre-school in writing at least 28 days before the new start date or, if that is not possible, as soon as reasonably

practicable. You may also postpone your maternity leave start date, provided you advise Katey's Nursery & Pre-School in writing at least 28 days before the original proposed start date or, if that is not possible, as soon as reasonably practicable.

Katey's Nursery & Pre-School will formally respond in writing to your notification of your leave plans within 28 days, confirming the date on which you are expected to return to work if you take your full 52-week entitlement to maternity leave.

### **Time off for ante-natal care**

Once you have advised the Katey's Nursery & Pre-School that you are pregnant, you are entitled to take reasonable paid time off work to attend ante-natal appointments as advised by your doctor, registered midwife or registered health visitor. Ante-natal care may include relaxation and parent craft classes that your doctor, midwife or health visitor has advised you to attend, in addition to medical examinations.

In order to be entitled to take time off for ante-natal care, you are required to produce a medical certificate from one of the above, stating that you are pregnant. Except in the case of the first appointment, you should also produce evidence of the appointment, such as an appointment card.

You should endeavour to give the nursery manager as much notice as possible of ante-natal appointments and wherever possible try to arrange them as near to the start or end of the working day as you are able.

### **Health and safety**

Katey's Nursery & Pre-School has a duty to take care of the health and safety of all employees. We are also required to carry out a risk assessment which may include assessing the workplace risks to women who are pregnant, have recently given birth or are breastfeeding where the work is of a kind which could involve a risk of harm or danger to their health and safety or the health and safety of their baby and the risk arises from either process, working conditions or physical, chemical or biological agents in the workplace. If applicable, Katey's Nursery & Pre-School will provide you with information as to any risks identified in any risk assessment. If the risk assessment reveals that you would be exposed to health hazards in carrying out your normal job duties, Katey's Nursery & Pre-School will take such steps as are reasonably necessary to avoid those risks, such as altering your working conditions. In some cases, this may mean offering you suitable alternative work (if available) on terms and conditions which are not substantially less favourable.

If it is not possible for Katey's Nursery & Pre-School to alter your working conditions to remove the risks to your health and there is no suitable alternative work available to offer you on a temporary basis, Katey's Nursery & Pre-School may suspend you from work on maternity grounds until such time as there are no longer any risks to your health. This may be for the remainder of your pregnancy until the commencement of your maternity leave. If you are suspended in these circumstances, your employment will continue during the period of the suspension and it does not in any way affect your statutory or contractual employment and maternity rights. You will be entitled to receive your normal salary and contractual benefits during the period of your suspension unless you have unreasonably refused an offer of suitable alternative employment.

### **Sickness absence**

If you are absent from work during your pregnancy due to sickness, you will receive sick pay in the same manner as any other sickness absence if you have not yet begun ordinary maternity leave. If, however, you are absent from work due to a pregnancy-related illness after the beginning of the fourth week before the EWC, your maternity leave will usually start automatically.

If you are absent from work wholly or partly because of pregnancy during the four weeks before the EWC, you must notify Katey's Nursery & Pre-School in writing of this as soon as reasonably practicable.

## **Maternity leave**

All pregnant employees are entitled to take up to 26 weeks' ordinary maternity leave (OML) and up to 26 weeks' additional maternity leave (AML), making a total of 52 weeks. This is regardless of the number of hours worked or length of service. AML begins on the day after OML ends.

OML can start at any time after the beginning of the 11<sup>th</sup> week before your EWC (unless your child is born prematurely before that date). Maternity leave will start on whichever date is the earlier of:

- Your chosen start dates.
- The day after you give birth.
- The day after any day on which you are absent for a pregnancy-related reason in the four weeks before the EWC.

If you give birth before your maternity leave was due to start, you must notify Katey's Nursery & Pre-School in writing of the date of the birth as soon as reasonably practicable.

The law obliges all employees to take a minimum of two weeks of compulsory maternity leave immediately after the birth of their child (four weeks for factory workers).

## **Ordinary maternity leave**

During the period of OML, your contract of employment continues in force and you are entitled to receive all your contractual benefits, except for salary. In particular, any benefits in kind (such as life assurance, private medical insurance, permanent health insurance, private use of a company car or laptop and gym membership) will continue, contractual annual leave entitlement will continue to accrue, and pension contributions will continue to be made. Your contributions will be based on your actual pay whilst Katey's Nursery & Pre-School contributions will be based on the salary you would have received had you not gone on maternity leave.

Salary will be replaced by SMP if you are eligible to receive it.

You are encouraged to take any outstanding annual leave due to you before the commencement of OML. You are reminded that holiday must be taken in the year that it is earned and therefore if the holiday year is due to end during maternity leave, you should take the full year's entitlement before starting your maternity leave.

## **Additional maternity leave**

During the period of AML, your contract of employment again continues in force and, as is the case during the period of OML, you are entitled to receive all your contractual benefits, except for salary. Any benefits in kind will continue and contractual annual leave entitlement will continue to accrue.

Salary will be replaced by SMP for the first 13 weeks of AML if you are eligible to receive it. The remaining 13 weeks of AML will be unpaid.

Pension contributions will continue to be made during the period when you are receiving SMP but not during any period of unpaid AML.

## **Statutory maternity pay (SMP)**

SMP is payable for up to 39 weeks during maternity leave. You are entitled to SMP if:

- You have been continuously employed by Katey's Nursery & Pre-School for at least 26 weeks at the end of the QW and you are still employed during that week.
- Your average weekly earnings in the eight weeks up to and including the QW are not less than the lower earnings limit for National Insurance contributions.
- You are still pregnant 11 weeks before the start of your EWC (or have already given birth).
- You provide a MAT B1 form stating your EWC.
- You give Katey's Nursery & Pre-School proper notification of your pregnancy in accordance with the rules set out above.

For the first six weeks, SMP is paid at the higher rate, which is equivalent to 90% of your average weekly earnings calculated over the period of eight weeks up to and including the QW. For the purpose of calculating average weekly earnings, shift allowances, overtime payments, bonuses and commission are all included.

The standard rate of SMP is paid for the remaining 33 weeks (or less if you decide to return to work sooner). This is paid at a rate set by the Government for the relevant tax year, or 90% of your average weekly earnings calculated over the period of eight weeks up to and including the QW if this is lower than the Government's set weekly rate.

If you become eligible for a pay rise between the start of the original calculation period and the end of your maternity leave (whether OML or AML), the higher or standard rate of SMP will be re-calculated to take account of your pay rise, regardless of whether SMP has already been paid. This means your SMP will be re-calculated and increased retrospectively, or that you may qualify for SMP if you did not previously. You will be paid a lump sum to make up any difference between SMP already paid and the amount payable as a result of the pay rise.

SMP is treated as earnings and is therefore subject to PAYE and National Insurance deductions.

Payment of SMP cannot start prior to the 11<sup>th</sup> week before your EWC. SMP can start from any day of the week in accordance with the date you start your maternity leave.

SMP is payable whether or not you intend to return to work after your maternity leave.

It is important for maternity pay purposes that you notify your line manager if, during the maternity pay period, you are taken into legal custody or start to work for another employer.

### **Maternity allowance.**

If you have been working for Katey's Nursery & Pre-School for less than 26 weeks at the QW, you are not eligible to receive SMP. You may, however, be able to apply to the Department of Work and Pensions for maternity allowance if you meet their qualifying conditions.

### **Contact during maternity leave.**

Shortly before your maternity leave starts, Katey's Nursery & Pre-School will discuss the arrangements for you to keep in touch during your leave, should you wish to do so. Katey's Nursery & Pre-School reserves the right in any event to maintain reasonable contact with you from time to time during your maternity leave. This may be to discuss your plans for return to work, to discuss any special arrangements to be made or training to be given to ease your return to work or simply to update you on developments at work during your absence.

### **Keeping in touch days.**

Except during the first two weeks from childbirth, you may agree to work for the Company for up to a maximum of ten days during either your OML or AML without that work bringing the period of your maternity leave to an

end and without loss of a week's SMP. These are known as 'keeping in touch' days. Any work carried out on a day shall constitute a day's work for these purposes.

Katey's Nursery & Pre-School has no right to require you to carry out any work, and you have no right to undertake any work, during your maternity leave. Any work undertaken, including the amount of salary paid for any work done on keeping in touch days, is entirely a matter for agreement between Katey's Nursery & Pre-School and you. Any keeping in touch days worked do not extend the period of your maternity leave. Once the keeping in touch days have been used up, you will lose a week's SMP for any week in which you agree to work for Katey's Nursery & Pre-School

### **Returning to work**

You will have been formally advised in writing by Katey's Nursery & Pre-School of the date on which you are expected to return to work if you take your full 52-week entitlement to maternity leave. You are expected to return on this date unless you notify Katey's Nursery & Pre-School otherwise. If you are unable to attend work at the end of your maternity leave due to sickness or injury, the Company's normal arrangements for sickness absence will apply. In any other case, late return without prior authorisation will be treated as unauthorised absence.

Whilst you are under no obligation to do so, it would assist Katey's Nursery & Pre-School if you could confirm as soon as convenient during your maternity leave that you will be returning to work as expected.

If you wish to return to work earlier than your expected return date, you must give the Katey's Nursery & Pre-School, preferably in writing, at least eight weeks' notice of your proposed date of early return. If you fail to do so, Katey's Nursery & Pre-School may postpone your return to such a date as will give Katey's Nursery & Pre-School eight weeks' notice, if this is not later than your expected return date.

If you decide not to return to work at all after maternity leave, you must give notice of resignation as soon as possible and in accordance with the terms of your contract of employment. If the notice period would expire after maternity leave has ended, Katey's Nursery & Pre-School may require you to return to work for the remainder of your notice period.

### **Additional paternity leave**

If your EWC began on or after 3 April 2011 and you propose to return to work early, your spouse, civil partner or cohabiting partner, or the father of your child, may then be eligible to take additional paternity leave (and additional statutory paternity pay (ASPP), if applicable) once you have returned to work.

The earliest that additional paternity leave may commence is 20 weeks after the date on which your baby is born and it must end no later than 12 months after the date of childbirth. The minimum period of additional paternity leave is two consecutive weeks, and the maximum period is 26 weeks.

Further details should be obtained from your spouse's or partner's employer. If you do wish your spouse or partner to take additional paternity leave in this way, you will be required to submit a written and signed declaration form to that employer and you should be aware that it may also make additional enquiries of Katey's Nursery & Pre-School to verify its employee's entitlement to additional paternity leave and pay.

### **Rights on and after return to work**

On resuming work after OML, you are entitled to return to the same job as you occupied before commencing maternity leave on the same terms and conditions of employment as if you had not been absent.

On resuming work after AML, again you are entitled to return to the same job as you occupied before commencing maternity leave on the same terms and conditions of employment as if you had not been absent. If, however, it is not reasonably practicable for Katey's Nursery & Pre-School to allow you to return to the same job, Katey's Nursery & Pre-School may offer you suitable alternative work, on terms and conditions that are no less favourable than would have applied if you had not been absent.

If you worked full-time prior to your maternity leave you have no automatic right to return to work on a part-time basis or to make other changes to your working patterns. However, all requests for part-time work or other flexible working arrangements will be considered in line with the operational requirements of the Katey's Nursery & Pre-School business. If you would like this option to be considered, you should write to your line manager setting out your proposals as soon as possible in advance of your return date, so that there is adequate time for full consideration of the request.

*All our Policies & Procedures are crafted to ensure the highest possible standards at our setting and will be reviewed every 3 years or sooner, if necessary, in light of specific events or relevant statutory changes.*
