Policy Statement

It is our intention to make our Katey's Nursery & Pre-School accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible, in written and spoken form and, where appropriate, in more than one language. Where necessary, we will try to provide information in Braille, or through British Sign Language. We will provide translated written materials where language needs of families suggest this is required as well as access to an interpreter.
- We arrange our waiting list in 'first come, first served' order. In addition our policy may take into consideration the following: Siblings already attending the setting.
- We describe our setting and its practices in terms that make it clear that it welcomes fathers and mothers, other relations and other carers, including childminders.
- We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, ethnicity or where English is a newly acquired additional language.
- We describe our setting and its practices in terms of how it enables children and/or parents with disabilities to take part in the life of the setting.
- We make our Equal Opportunities Policy widely known.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children, and dependent on places being available.

All our Policies & Procedures are crafted to ensure the highest possible standards at our setting and will be reviewed every 3 years or sooner, if necessary, in light of specific events or relevant statutory changes.
