

Promoting British Values at Katey's Nursery and Pre-School.

Policy Statement

Katey's Nursery & Pre-School is committed to serving its community. It recognises the multi-cultural, multi-faith and ever-changing nature of the United Kingdom. It also understands the vital role it has in ensuring that groups or individuals within the nursery are not subjected to intimidation or radicalisation by those wishing to unduly, or illegally, influence them.

The DfE have recently reinforced the need “to create and enforce a clear and rigorous expectation on all schools and nurseries to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”

The government set out its definition of British values in the 2015 Prevent Duty. At Katey's Nursery & Pre-School these values are reinforced regularly and in the following ways:

Democracy:

We listen to the children's and parent's voice. Our behaviour policy is clear that children are expected to contribute and co-operate, taking into account the views of others.

The Rule of Law:

We consistently reinforce our high expectations of children. Children are taught the value and reasons behind our expectations (rules), that they are there to protect us, that everyone has a responsibility and that there are consequences when rules are broken.

Individual Liberty:

Within the nursery, children are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a nursery we educate and provide boundaries for young children to make choices safely, through our provision of a safe environment and empowering teaching. Children are encouraged to know, understand and exercise their rights and personal freedoms.

Mutual Respect:

Much of our ethos and behavior policy revolves around core values such as 'Respect', and children are modeled this by caring, sharing and listening to others. Practitioners help children to understand how to respect by talking about how actions/words can affect others.

Tolerance of those of Different Faiths and Beliefs:

We aim to enhance children's understanding of different faiths and beliefs by participating in a range of celebrations throughout the year. Children have the opportunity to dress-up in clothes and try different foods from other cultures and we encourage parents/carers to participate and support our multi-cultural events.

All our Policies & Procedures are crafted to ensure the highest possible standards at our setting and will be reviewed every 3 years or sooner, if necessary, in light of specific events or relevant statutory changes.
